## Long Term Ventilation in Children and Young People Clinical Guideline

Long Term Ventilation Guidance,  
resources and education

The London Transformation and learning collaborative created a national resource to support respiratory surge in children.

[Respiratory Surge in Children - elearning for healthcare \(e-lfh.org.uk\)](https://e-learning-for-healthcare.org.uk)

This contains a searchable index, AHP resources, educator resources, equipment support and and rapid resource access lists:

- [Basics of RSV and bronchiolitis](#) (PDF, 67KB)
- [High Flow Oxygen Therapy – no prior knowledge](#) (PDF, 140KB)
- [High Flow Oxygen Therapy – refresher](#) (PDF, 137KB)
- [Physiotherapists on paediatric wards](#) (PDF, 131KB)
- [Community Nurses – Bronchiolitis Revision](#) (PDF, 107KB)
- [Paediatric nurse to critical care L2](#) (PDF, 143KB)
- [Adult nurse to paediatric ICU](#) (PDF, 99KB)
- [Adult nurse to ward and HDU](#) (PDF, 108KB)
- [GP refresher](#) (PDF, 93KB)
- [Hospital doctor](#) (PDF, 137KB)
- [Paediatric nurse to critical care L3](#) (PDF, 112KB)

Healthier Together is a growing resource originally created in Dorset, Hampshire and Isle of white. It provides useful resources to Parents and well as health care professionals  
[Home :: Healthier Together \(what0-18.nhs.uk\)](https://what0-18.nhs.uk)

The London Transformation and learning collaborative created a national resource to support staff caring for Children and young people with Mental Health needs, Autism and learning disabilities in acute settings.

[Children and Young People with Mental Health Needs, Autism or Learning Disability - elearning for healthcare \(e-lfh.org.uk\)](https://e-learning-for-healthcare.org.uk)

Use this flow chart to find the correct resources:

[Basic Flowchart Template \(e-lfh.org.uk\)](https://e-learning-for-healthcare.org.uk)

**Paediatric digital skills passports** have been created to support teams in preparing for a respiratory surge in children. These passport's support cross skilling of both adult nurses and general paediatric nurses into Paediatric Critical Care or to support stabilisation of children.

<https://criticalcare.yourskillspass.com/public/report.aspx?memberqueryid=24C08538-802F-4FF0-815F-A9D3739F2290&nodeid=72982CFD-4312-48E5-A848-555B164240C5>

This video explains how to use the digital skills passports:  
<https://vimeo.com/694359836>

**Investing in you**  
Developing your clinical skills

The LTLC Paediatric Digital Skills Passports are designed to support you to understand, document and acquire new skills to safely deliver care to children

Skills self-assessment  
↓  
Identify, communicate and address gaps in knowledge  
↓  
Supervisor sign-off

How can they support you?

- Digital record of new and existing skills
- Nationally recognised skills framework
- Link to educational and training resources
- Contribute to CPD

<https://criticalcare.yourskillspass.com/>
